

## **Grant to keep grounds in shape**

Maitland Mercury 31/12/08

Kurri Kurri Little Athletics will make sure it's grounds are in top shape after receiving a community grant. The club will buy a ride-on mower and line marker.

The grant through the Hunter Economic Zone's (HEZ) community support program is designed to help out the local community.

Groups were asked to submit applications to the program in August, with \$15,000 to be distributed among the projects with the greatest benefit to the local community.

HEZ general manager Michael Barrow said he was pleased to assist groups fulfil projects that would have benefit the area.
